## TAZ, TAZ (FORMERLY ALFRED) AND SADIE

Dear Staff,

Just wanted to send you a few pictures of “Alfred” who is now “Taz” (Alfred just didn’t work). He has brought so much joy and fun to this household. I just can’t tell you how much we love him. He has even brought new life to our old Border Collie, “Sadie.” Keep up the good work and thank you for this bundle of joy.
