## MAGGIE, (FORMERLY BABY GIRL) AND DEVEREAUX

Dear Jen and All at the Humane Society,

Back in July, we adopted Maggie (formerly Baby Girl) from the Humane Society. We are happy to report that she has settled in well (with the occasional scrap with the other two cats.) She's become pleasantly plump and is very content in her new home. We've enclosed a photo of her (her housemate Devereaux is in the background) so you can see how big she has gotten. She's a very sweet cat and we are lucky to have her. We've also enclosed a donation to the Humane Society so that you all can continue your work to save animals. We wish all of you a very safe and enjoyable holiday season!

*Kind Regards, Ron and Beth Kline*
