

“TAIL” OF HOPE

2006

LILLY, GERMAN SHEPHERD

I just wanted to let you know how much I love my dog, Lilly. I got her January 21, 2004, and she is such a good, loving dog. She was 6 months old when I brought her home, and as you can see, she's beautiful! A lot of people ask me what kind of dog she is. I'm so happy I have her. She makes me laugh and is very entertaining. I've enclosed a check to help out some of Lilly's friends who are still at the shelter.
